

HOW TO FIND A GRAVE STONE IN BULMER CHURCHYARDS

All the gravestones are listed on the website of bulmerhistory.co.uk/st-andrew-s/burial-grounds/ together with a photograph and reference to its position on a large map, which can viewed. All are listed in alphabetical order. Alternatively you can just use the search facility by entering the surname of the deceased.

The graveyard is in three areas, the current graveyard at the West end of the church next to the horse rink, the old graveyard is around the church in the North, East and South sides.

The “Remembrance Garden” is located in the North-West area of the current graveyard.

You can also email the site at info.bulmerhistory@gmail.com, we are always happy to receive any feedback of positive or negative nature regarding this facility so that we maybe able to improve it for others. Thank you.
